2017-18 Enrollment Verification of Family Members
(for Independent Students)

This form is required to continue review of your financial aid eligibility. Please return it as soon as possible.

Our records indicate that we determined your financial aid eligibility based on more than one eligible family member attending college during the 2017-18 academic year. On page two, please verify enrollment for family member(s) attending at least half-time during the Fall 2017 term in a post-secondary institution. Include family attending UCI. Complete one form for each family member, make copies if necessary.

Who is an eligible family member?
- A spouse, who (a) will enroll in college at least half-time during the 2017-2018 academic year and (b) will be enrolled in a degree, diploma or certificate program.
- A child or other dependent of yours who is enrolled at least half-time in a degree, diploma or certificate program at another college (NOTE: If the sibling is a high school student who is concurrently taking college courses, please contact our office for further instructions).

Who is not an eligible family member? Please note that we will not consider college enrollment for:
- Foster children
- Family members attending foreign colleges (unless the college is a Title-IV eligible school), military schools, non-degree granting programs and/or non-financial aid recipient colleges.
- Family members enrolled less than half time.

How does this impact your financial aid? Changes to the number of family members enrolled in college may have a substantial impact on your aid eligibility. Failure to submit required verification will result in the following,
1. Recalculation of financial aid eligibility.
2. Possible retroactive billing of fall quarter disbursements.
3. Cancellation of winter and spring quarter awards.

If one of the family members you reported on your FAFSA will not be attending college in Fall 2017, but will enroll at least half-time in Winter quarter 2018 or Spring semester 2018, list him/her here:
