By signing this agreement, I understand that I am agreeing to the conditions set forth by the Office of Financial Aid and Scholarships in order to be eligible for financial aid during the Summer Session. I agree to:

- Register and enroll in courses through UC Irvine Summer Session.

- Log on and accept my financial aid award and complete any necessary documents by June 16, 2006, in order to have financial aid pay my Summer Session course fees. Should I miss the June 16th deadline I will be responsible for paying my own Summer Session course fees.

- After accepting my financial aid award, I will enroll in Summer Session courses. I understand that I may need to wait 3-5 days after accepting my aid for the Summer Session office to be notified that I am a financial aid recipient.

- My enrollment will not drop below the enrollment specified and I will not withdraw from any of the terms and/or travel programs indicated on my application.

- Any changes in enrollment, including dropping units, changing sessions or attendance in travel programs may result in being billed for funds received.

- Enrollment in additional courses or terms will not increase my financial aid eligibility.

- The Office of Financial Aid and Scholarships reserves the right to modify your UCI financial aid award(s) at any time due to changes in my financial aid eligibility or changes in the availability of funds.

- I understand that fees are subject to change without notice and the University may impose additional fees.

- I also will allow the Office of Financial Aid and Scholarships to transfer financial aid funds to the Student Billing System (SBS) for the purpose of paying any mandatory registration fees and/or outstanding debts.

- I further understand that I am responsible for understanding and completing the items indicated on my Financial Aid To Do List. Failure to complete required items may prevent the availability of financial aid funds to pay my fees and/or delay receipt of financial aid funds.

I further understand:

- That, if I am eligible and receive a Pell Grant and do not complete all units as stated on my Summer Session Application for Financial Aid it may result in repayment of all or a portion of the amount received.

- That failure to complete all units listed on the Financial Aid Application for Summer Session may result in part or all of the summer portion of my financial aid to be counted as a resource for the 2006-07 academic year.
