2014-15 Student Marital Status and Tax Filing Status Confirmation

Name: ___________________________________________  UCI ID Number ____________________

Your 2014-2015 FAFSA has been identified by the Department of Education for potentially conflicting information related to your marital status (FAFSA question # 16) and the filing status on the 2013 federal income tax return (FAFSA question #34). You should be reporting the marital status as of the date the FAFSA was completed and the tax filing status as stated on the 2013 federal tax return.

Please review your responses to these questions on your FAFSA as well as the income information that you submitted (questions # 36-40, 44, and 45). For example, income should not be included for a deceased, separated, or divorced spouse.

After you review your FAFSA, please take one of the following actions:

1) If any of the information submitted on the FAFSA is incorrect:
   Please make the appropriate corrections at www.fafsa.gov. No further action is required, as we will receive these corrections automatically.

2) If the information submitted on the FAFSA is correct:
   Please provide a brief explanation of why the information appears to conflict in the space provided below. Do not submit a tax return with this form.

 Federal regulations require that we verify the accuracy of this information and resolve any apparent conflicts before awarding financial aid.

CERTIFICATION

All the information provided on this form is true and complete to the best of my knowledge. If asked by an authorized official, I agree to provide proof of the information that I have indicated on this form. I also realize that if I do not provide proof when asked, I may be denied aid.

Student’s Signature ___________________________________________  Date __________________________

The State of California requires that you be told the following: Federal student loans are available to most students regardless of income and provide a range of repayment options including income-based repayment plans and loan forgiveness benefits, which other education loans are not required to provide.

Revised 3/12/2014
