

## 2025 Summer Session - Financial Aid Terms and Conditions

---

### Requirements for summer financial aid:

- Log on to "ZotAid" to accept my summer financial aid.
- Complete all open notifications assigned to me listed in ZotAid under the 'Notifications' tab to ensure that my financial aid will be processed.
- I will read the eligibility requirements for all funds awarded.
- I will enroll in summer units listed on my Summer application through UC Irvine Summer Session.
- Before I change my enrollment, I will check with the Financial Aid Office to find out how my enrollment changes will affect my summer aid.
- Any changes to my enrollment, including dropping below 8 units or changing sessions or withdrawing, will result in my financial aid being revised and possible billing for funds received.
- The Financial Aid Office will base my final Pell, Cal and TEACH Grant eligibility on my enrollment for the Summer term as of 8/29/2025.
- If I drop one or more summer classes, I will notify the Financial Aid Office in writing.
- If I withdraw from all Session I/10-week classes, I must notify the Financial Aid Office in writing if I intend to enroll for Session II.
- If I fail to meet one or more of the Satisfactory Academic Progress requirements at the end of the spring term, I understand that I will lose my eligibility for all summer financial aid funding and may also be billed for part or all of the funds I received and that I will be responsible for paying the \$190 non-refundable campus fee and all other applicable non-refundable fees. Furthermore, I understand that the only way to restore my summer aid is to submit a SAP appeal and have that appeal approved.
- At the end of the term, we will verify that you attended all of the courses for which you were paid Pell Grant and/or Cal Grant funds. If you did not attend one or more courses, we will reduce your grant amount accordingly and you will be billed. Receiving one or more non-passing grades with no record of attendance may also result in your Pell Grant and/or Cal Grant being revised and could also result in a bill.
- If I receive a UCI Grant, I must enroll and complete with satisfactory grades a minimum of eight (8) units during one session or a combination of the Summer Sessions I, II or 10-week sessions.
- I must complete all my courses with satisfactory grades. Satisfactory grades are Grades A, B, C, D, P (Pass) and (S) Satisfactory. All other grades will be considered as unsatisfactory.
- The Office of Financial Aid and Scholarships reserves the right to modify my financial aid award(s) at any time due to changes in my eligibility or changes in the availability of funds.
- The Office of Financial Aid and Scholarships will transfer my financial aid funds to the Student Billing System (SBS) for the purpose of paying fees/charges.
- To get more information on summer budgets, types of aid, and special programs for the summer, I can visit the Financial Aid web site at [ofas.uci.edu](https://ofas.uci.edu).
- If I participate in any of the following programs - UC Cross Campus enrollment, Graduate, Credential (TCP), Freshman Edge or Transfer Edge - I will meet with a Financial Aid counselor to inquire about additional requirements.
- If I am academically disqualified, I will no longer be eligible to receive financial aid and I will be required to repay any funds I received, including all fees paid to Summer Session back to the effective date of the disqualification.
- If I graduate before the start of summer term, I will be billed for all summer aid received.
- If my admission to UCI is rescinded, I will not be eligible to keep any of the financial aid awarded. I will be required to repay all funds, including all fees paid to Summer Session.
